

This diagram shows an exploded perspective view of a container assembly. The components are arranged vertically along a central axis, indicated by a dashed line. From top to bottom, the parts are: a cap (16) with a textured outer rim (20) and a central opening (28); a gasket (32); a main body (10) with a flared top rim (12) and a central opening (14); a base (24) with a central opening (26) and a textured outer rim (29); and a bottom cap (18) with a central opening (24). The main body (10) is shown with vertical ribs.
